

**According to the plan to date, the church will reopen on Monday 29<sup>th</sup> June for public mass at 10am.**

There is specific seating allocated, allowing for social distancing and floor markings will show one-way systems introduced.

Due to government restrictions, we can only allow **50 people** in the church at Mass time and this includes the Priest, Sacristan and Church Ministers & Helpers.

Attendance will be monitored and if necessary, when the limit is reached the doors of the church will be closed and people will be asked to attend mass at another mass time.

Entry will be through the main doors at the Blunden Drive entrance and exit through the main doors at the parish office side. Please use the sanitisers provided on entry and exit.

Please note the obligation to attend mass on Sunday is suspended. Due to the limited number of seating for Sunday mass I would encourage people, if possible, to attend one of the 10am daily masses Monday - Saturday instead.

<b><u>Mass Times:</u></b>	Monday to Saturday	10am
	Saturday Vigil	6pm
	Sunday	10:30am & 12:30 pm

People with any underlying condition are encouraged not to attend mass at the moment, and obviously any person who have a high temperature or an infection please do not attend.

I am looking forward to welcoming you all back and I know it is not going to be easy to get used to the new norms but I am confident that everyone will co-operate with the new situation.

Fr. Gerard Deegan
